### 4. Find the email and click on the link labeled **“Log In”**

### 5. You will be logged into WVShares. Click on your name in the upper right and then click **Settings**.

## 6. Enter your new password and click Change Password. You will be able to log in using your new password.

The screenshot shows a web browser window with the URL groups.io. The browser's address bar and tabs are visible at the top. The page header includes the Groups logo and navigation links. A pink notification bar at the top of the main content area states: "Your password has been set. Please log in with it now." Below this, the "Please Log In" section contains an "Email Address" input field, a "Password" input field, and a "Forgot your password, or don't have one yet?" link. A disclaimer states: "By continuing to use our service, you are agreeing to the Terms of Service and the Privacy Policy." A green "Log In" button is positioned below the disclaimer. The "Or You Can" section is partially visible at the bottom of the page.
