### Mission Statement

The purpose of the Pantry is to provide a service for the benefit of residents and employees.

Staffed by resident volunteers, the Pantry offers a warm friendly place to meet and greet friends and neighbors.

The Pantry is the on-campus convenience store for residents and employees to purchase groceries, household supplies, over-the-counter items, personal hygiene supplies and more.

The Pantry accepts payments in cash, by check, charged to a resident's account, or by payroll deduction for employees.

Profits from Pantry sales go to Blue Heron Foundation.
